

## SCCPS HANDS-ON COLPOSCOPY WORKSHOP

Advanced Surgical Training Centre (ASTC), Level 2 (Lift Lobby 8)

National University Hospital (NUH), Kent Ridge Wing

23 March 2024, Sat

### Aims and Target Participants:

This course is specifically designed for doctors and nurses interested in colposcopy. It provides a sound theoretical and practical basis of colposcopy for newcomers to the technique. It also serves as a refresher course in colposcopy for current practitioners.

### Method of Teaching:

This is a unique interactive course. The course content is delivered via active group discussion between course facilitators and participants. Equal emphasis is placed on participants' theoretical knowledge as well as practical skills required in colposcopy for cervical cancer screening and prevention.

8.15 – 8.30 am	Registration & Introduction	
<b>PART 1: FUNDAMENTALS OF COLPOSCOPY - BASIC COLPOSCOPY PRINCIPLES</b>		
8.30 – 9.30 am	1. The role of Colposcopy in cervical cancer screening 2. Basic pathology of the cervix for colposcopists	Dr LIM Li Min Dr Gideon TAN
